**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Sir:

Listed on the accompanying Form PTO-1449 are documents that may be considered material to the examination of this application and are submitted in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98. Copies of the foreign art and/or articles are attached.

No item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application. Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue.
